

WWILTHORPE INFANT SCHOOLParents Information for Class 1**W**

Here is an outline of the work that children in class 1 will be covering this term. You may like to help by talking with your child about aspects of the topic and looking at books - at home or at the library. You may have items at home which can be useful for this term's work and be of interest to the whole class.

Main Topic Focus	Building
Science	Exploring and sorting materials
ICT	Mouse control, keyboard skills & use of the Floor Turtle
History	Sequencing events in stories
Geography	Simple plans and maps Different sorts of houses
Art	Shape pictures of buildings Clay work
Music	Singing a selection of songs Playing percussion instruments
Design Technology	Making masks and puppets with moving parts
Physical Education	Dance related to 'The Three Little Pigs' and 'builders / machinery' Gymnastics - balancing
Religious Education	Special Times - including Harvest and Christmas

Useful books / resources would be simple maps or plans and fairy stories.
