WILTHORPE INFANT SCHOOL
Parents Information for Classes 6 & 7

W

Here is an outline of the work that children in classes 6 & 7 will be covering this term. You may like to help by talking with your child about aspects of the topic and looking at books - at home or at the library. You may have items at home which can be useful for this term's work and be of interest to the whole class.

Main Topic Focus	Castles Houses and homes.
Science	Materials and their properties.
ICT	Creating wallpaper using graphics programs. Internet research about houses.
History	Comparing homes in the past with the present.
Geography	Types of houses in local area. Plan of local area.
Art / Design Technology	Create a modern and old style room on a small scale
Music	Creating and imitating sounds
Physical Education	3 little pigs dance and drama linking movement to moods, ideas & feelings.
Religious Education	Christian faith - old testament stories

Useful books / resources would be:

books about houses & homes, life in the past & any older household objects or photographs.
